Hi Kristen and Sherry –

I will make time on Thursday either way – phone or in person. Sherry is correct, though. If you are not right outside NYC, it can take a long time to get to Edison. We're close as the crow flies, but traffic can be a real nightmare. I can also set up a conference line if you like. Just let me know how you would like to proceed.

Best regards,

Tom

Kristen,

If we were closer to the New York City metro area, I would love to try to find a way to meet Tom Kady in Edison but I think we will be too far out to make this work.

I will get into the conference in Connecticut tomorrow just before noon. Maybe we can touch bases when I get there.

Hi Sherry,

Do you have interest in visiting Tom Kady regarding help for the Tribal LIF work this week.

It sounds like Thursday would be better than Wednesday for Tom (the Chinese group is visiting Wednesday), but either works for me.
